This application is submitted to provide a temporary source of stock water

for T S Ranch cattle that would normally obtain such water from Cherry Spring.

However, the water level at Cherry Spring has dropped below ground. Well CS-2

is an existing artesian monitor well near Cherry Spring drilled for Newmont Gold Company under waiver M/O-184D. The well is capable of providing the necessary water.

APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the manner of use of a portion of the waters of an underground source as heretofore granted under Permit 47962 is issued subject to the terms and conditions imposed in said Permit 47962 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening for measuring depth to water. If well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of water herein granted at any and all times but does not take responsibility for the use of the Federal range.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this temporary permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on July 19, 1996 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0158 cubic feet per second or sufficient to water 506 head of cattle but not to exceed 11.44 acre-feet annually.

Work must be prosecuted with reasonable diligence and be completed on or before.....

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before.....

Map in support of proof of beneficial use shall be filed on or before.....
